

## Ribbon Bookmarks

From Country Living

You can fashion these bookish baubles for just a few bucks each. Cut velvet ribbon ([mjtrim.com](http://mjtrim.com), \$2.98 per yard) into 9-inch lengths. Purchase ribbon clamps the same width as your ribbon ([artfire.com](http://artfire.com), from \$1.99 for a package of 16), then use flat-nose jewelry pliers to affix clamps to both ends of each ribbon. Finish by attaching charms, trinkets, or vintage earrings ([eebeads.com](http://eebeads.com), from 25 cents each) to the clamps with jump rings ([amazon.com](http://amazon.com), 70 cents per 100 pack).
